2024 IN REVIEW: A YEAR OF GROWTH AND INNOVATION

At Biozone, we pride ourselves on delivering world-class air, water, and waste treatment solutions.

PRESTIGIOUS PROJECTS

12 KL Containerised Nanofiltration Purification System

A cutting-edge system that ensures high-quality water purification with advanced nanotechnology.

[READ MORE](#)

60 KL/D Sewage Treatment Plant

Innovating wastewater treatment, focusing on sustainability and regulatory compliance.

2800 Bottles/Hour Bottling Line

Automated bottling line designed for efficiency and sustainability.

Multiple Water Purification System Installations for Gozone Stores

Gozone Woodmead

Gozone Dowerglen

Gozone Lambton

Gozone Olivedale

Gozone Parkdene

In 2024, Biozone Manufacturing partnered with Gozone, a leading franchise offering water refills and purification services, to install state-of-the-art water purification systems at five of their key retail outlets. These installations were part of our mission to ensure safe, clean, and purified water...
